

# NEW PRODUCT HIGHLIGHT | JAN2022

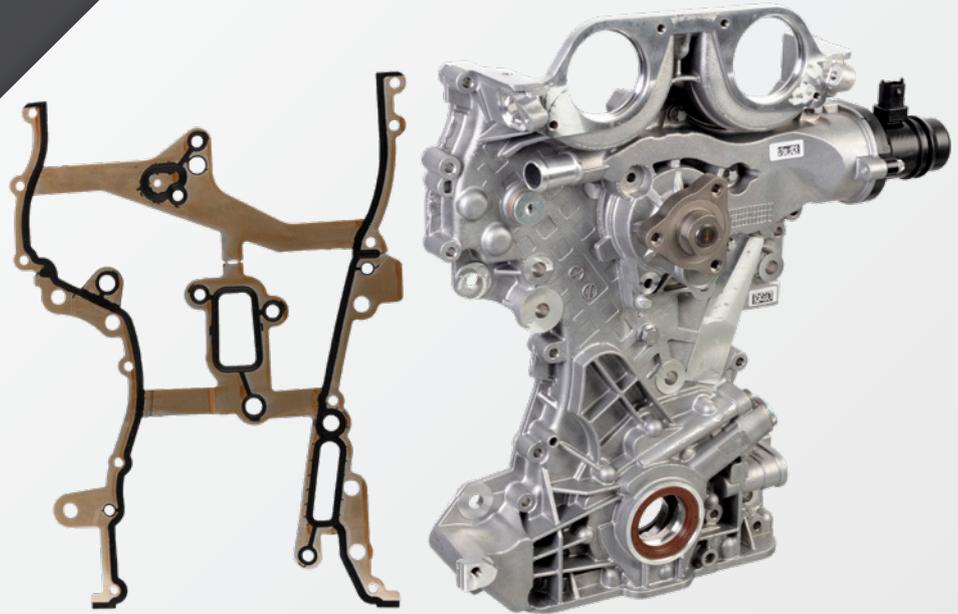

## SWAG 33 10 3473

**SWAG**<sup>®</sup>

To fit:

Vauxhall, Opel Adam, Astra J,  
Corsa D, Corsa E, Meriva B

Engines: A12XER, B12XEL,  
A14XEL, A14XER, B14XEJ,  
B14XEL, B14XER

EN

## Timing chain cover with gasket

### Function

This complex casting is attached to the cylinder block and completes an oil-tight chamber covering the timing chain system. It also includes the engine oil pump that is driven by the crankshaft, water pump and other ancillaries.

### Cause of failure

Infrequent oil changes can cause the engine oil pump pick-up to block, restricting the flow of oil to the oil pump.

When replacing or refitting the crankshaft timing chain gear, the oil pan must be removed - otherwise it is possible to damage the oil pump during this procedure.
