

# PHU590649 renamed as PHU2552

## Important update

### PFI InfoTech

**PFI Wheel Hub PHU590649 released in May 2020 fits Mazda 3 only. This product is not applicable for Mazda CX-3 model.**

As part of our continuous efforts to improve our products, the PFI TechCare team decided to rename **PHU590649 wheel hub as PHU2552**. Design and technical specification do not change, we are only changing product name. See below corresponding applications and correct interchange numbers:

Renamed item:	New item in preparation:
<b>PHU2552</b> (previously named PHU590649)	<b>PHU12952</b>
	
<b>Fits:</b> MAZDA 3 2014-2018 Rear Axle, with ABS, Mexico build	<b>Fits:</b> MAZDA CX-3 2015-2019 Rear Axle, with ABS, FWD
<b>Interchange:</b> MAZDA BJS7-26-15X, MAZDA BPM5-26-15X, MAZDA BPM5-26-15XA, BCA WE61838, MOOG 512552, ILJIN 43024, SKF VKBA7706, TIMKEN HA590761	<b>Interchange:</b> MAZDA D10E-26-15X, TIMKEN HA590649, MOOG MD-WB-12952, FAG 713123110

If you bought PHU590649 to fit a Mazda CX-3 application, please be informed this hub is not applicable. It only applies to Mazda 3 applications. The new PHU12952 wheel hub will be applicable to Mazda CX-3 applications.

Should you need further information, please liaise with the corresponding PFI Sales Manager that sold you this PFI product.
