PRODUCT INFORMATION

CYLINDER HEAD FOR GAS ENGINES – SUITABLE FOR MAN, MTU, MDE AVAILABLE FROM MOTORSERVICE

To achieve the statutory emission standards, in future Motorservice will be supplying the biogas version of its tried and tested cylinder head exclusively with M18 spark plug thread. This enables pollutant emissions and the exhaust gas temperature to be positively influenced.

Motorservice supplies different versions of the cylinder head depending on specific requirements and the application.

NEW!

SPARK PLUG THREAD M18

Product	Article no.	Version	Lubrication	Application
Cylinder head	20 0802 G2828	Complete, M18	Exhaust valve guide, oil-lubricated	Biogas engines
Cylinder head	20 0802 G2840	Complete, M14	Unlubricated valve guide	Natural gas engines

ADVANTAGES

- Optimised wear and exhaust performance
- Suitable for engines from multiple engine manufacturers and in different designs
- Mounting of knock sensors possible
- Parts such as valve seat inserts and valve guides available from Motorservice
- Further versions to meet your specific requirements on request, e.g. for selective exhaust temperature measurement
