	On-highway Industrial	1096, 2701, 2736	41 758 600	41 758 960		
	Industrial	422, 423, 1404, 8547, 8548, 8640, 8641, 8643, 8646, 8647, 8648, 8649, 8650, 8651, 8695	41 760 600	41 760 960		
	On-highway	8389, 8458, 8662, 8717, 8718, 8780	41 757 600	41 757 960		
	On-highway	915, 3121, 3155, 3157, 3600, 3663, 3689, 3732, 3733, 3772, 4611, 8792	41 759 600	41 759 960		

### CUMMINS SPARE PARTS IN PREMIUM QUALITY

Motorservice is expanding its program and is now offering all piston designs for the Cummins engines ISL 9 and QSL 9. The articulated piston is available in five different versions for the relevant engines types. The key difference between the versions is the combustion chamber bowl of the piston crowns forged from steel.
