

SPORT M. TECHNIK CHASSIS

BMW 3/5/7 Series

FI044EU

- The BMW Series 3 (E36), Series 5 (E34) and (E39), Series 7 (E32) may optionally be fitted with the sport M.TECHNIK chassis with a specific suspension.
- In addition to the external appearance (extra low body), the difference is obtained by measuring the diameter of the front anti-roll.

Clean the roll bar carefully and measure the dimension accurately using a calliper gauge.
