C 50 005 - Additional Prefleece

The Air Filter C 50 005 will be delivered in future with an additional prefleece, as shown in belows comparison:

C 50 005 up to now: Without prefleece

C 50 005 new version: With prefleece

With this change MANN-FILTER follows a change of the original spare part. Both parts are fully compatible with the applications listed in the catalogue and you receive the well known OE quality from MANN-FILTER.
