| DATOS DE LA PIEZA A CERTIFICAR<br>PART DESCRIPTION                                                                             |                                                  |
|--------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------|
| Denominación: PARAGOLPES DELANTERO CON IMPRIMACIÓN y 2 ORIFICIOS SENSORES<br>Name: Front bumper with primer and 2 sensor holes |                                                  |
| Adaptable a: RENAULT CLIO (16)<br>Adaptable to                                                                                 |                                                  |
| Fabricado por: PHIRA COMPONENTES AUTOMOCIÓN<br>Manufactured by                                                                 |                                                  |
| Ref. fabricante: CL-16232<br>Manufacturer reference                                                                            | Ref. Constructor: 620228220R<br>O.E.M. reference |
| Nº Certificación: 18 049 18 09<br>Certification number                                                                         |                                                  |

Valorando lo resultados obtenidos en los ensayos y verificaciones a los que ha sido sometida la pieza de recambio, el dictamen final es:  
Having analyzed the results of the test to which spare part has been subjected, the final decision is:

**RESULTADO DE LA PIEZA**
