

# intAct Start-Power

Calcium or hybrid battery (Ca/Ca or Sb/Ca)

Art.No.

## 56638GUG

|                     |                            |
|---------------------|----------------------------|
| Volt                | 12V                        |
| Capacity            | 66 AH (c20)                |
| CCR -18°C (EN)      | 510 A (EN)                 |
| Electrolyte         | diluted sulphuric acid     |
| Electrolyte density | 1,28 +/- 0,01 Kg/l (25° C) |
| Size (LxWxH)        | 278 x 175 x 190 mm         |
| Weight              | 16,5 kg                    |
| Pos. of Terminal    | 0                          |
| Terminal            | 1                          |
| Base plate          | B13                        |

## Usage

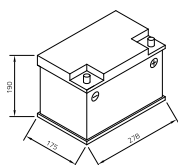

## Top performance at a great price

Designed for performance and extreme high current capability offering perfect value for money. For almost all passenger cars, coaches, trucks and agricultural machinery. Our recommendation for a solid battery when cost is a major consideration.

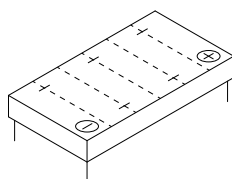

- » **Durable, safe and reliable.**
- » **2 versions:** Calcium battery (Ca/Ca) wet charged (GUG) or dry-charged (TV) hybrid battery (Sb/Ca).
- » **Low maintenance or maintenance free.**
- » Wet charged version **in part with double lid for increased leak protection and vapour condensation.**
